MEMORANDUM FOR: Acting Deputy Director for Administration

25X1

FROM: [redacted]

Acting Director of Security

SUBJECT: Office of Security Significant Activities  
Week of 22 May 1980 (U)

REFERENCE: DDA Administrative Instruction No. 74-5

1. This memorandum is for information only. (U)

2. The activities of the Office of Security during the week of 22 - 28 May 1980 were highlighted by the following items:

a. On 22 May 1980, the Chief, Security Education Group (SEG) attended a meeting of the Security Awareness Group of the DCI Security Committee that was concerned with planning for the development of innovative training aids for use throughout the Intelligence Community. A high priority item addressed in the meeting was the development of a presentation to alert industrial contractors to the hostile intelligence threat faced by industry. SEG involvement in the planning session is another example of the emphasis on enhanced security awareness training in all aspects of Agency activities or interests. (U)

b. During the reporting period, a manuscript submitted by Victor Marchetti, entitled The Soul of the Spy, was submitted to the External Activities Branch. The writing, which contains over 500 pages, is being reviewed and, to date, does not appear to present a problem with respect to inclusion of classified material. (U)

c. On 22 May 1980, three members of the Office and one member of the Office of Research and Development met with members of the Federal Bureau of Investigation and State Department Security as part of the [redacted] R&D Working Committee. The meeting

d. On 23 May 1980, an unannounced fire drill was conducted in the Chamber of Commerce Building at 1000 hours. It was successful with an evacuation time of 7 1/2 minutes. (U)

e. On 28 May 1980, two members of the Overseas Security Support Branch attended a meeting of a new group organized by the DDO Policy and Coordination Staff having to do with the gathering of basic physical security data [Redacted Box] overseas. This group is newly organized and its parameters have not yet been defined. (C)
